SD SWCS Mission - To foster the science and art of natural resource conservation. Our work targets conservation of soil, water, and related natural resources on working land—the land used to produce food, fiber, and other services that improve the quality of life people experience in rural and urban communities. We work to discover, develop, implement, and constantly improve ways to use land that sustains its productive capacity and enhances the environment at the same time.

**SOIL AND WATER
CONSERVATION
SOCIETY**

2014

Annual Meeting Lodging:

There are a limited number of federal and state government rate rooms reserved for the federal government rate of \$83/night at the AmericInn in Ft. Pierre (this is where the meeting is located) under SRM/SWCS as well as a very limited number of state rate rooms at the Holiday Inn Express (within walking distance of the AmericInn) - You may call the AmericInn hotel at (605) 223-2358 or the Holiday Inn Express at (605) 223-9045 to make your reservations

***Many other lodging options available in Pierre**

Make hotel reservations prior to September 17, 2010, to assure rates mentioned above

SD SRM Mission – To promote the professional development and continuing education of members and the public and the stewardship of rangeland resources.
